Vendor Selection

The Michiana Renaissance Festival is not only a fun event, it is also an educational experience for guests. It is important that all vendor booths look as period as possible, including the products that are sold and the way the booth staff is dressed and behaves. **All new vendors or vendors who have made changes to their setup are required to submit pictures of their booth and staff along with their application.** The vendor selection committee at Entertaining History, Inc. will review all vendor applications for appropriateness and uniqueness of merchandise. Vendors and their booths that appear closest to the historical period have a greater chance of being selected by the committee

Vendors who are not accepted by the committee will receive a full refund of their festival fees. Applications received by the first full week of June will have notification mailed by the first full week of July. Applications received after will receive notification as quickly as the committee can get to it. A cancellation fee of \$50 will be retained for any vendor that sends in their application and then cancels after July 31. The full fee will be retained for vendors that cancel after the first full week of August or for vendors that do not show up.

Warning: No vendor will be accepted if application or payment is received less than 2 weeks before the event.
